18,	The Benesch Houses are located on the east side of Broadway at the NE corner of a new subdivision. Large trees stand near the street line of the main house, which faces Broadway. The surrounding residential area consists of historic and non-historic houses of similar scale. OTHER NOTABLE FEATURES OF BUILDING AND SITE (including interior features if known): The Benesch House is a 2½ story, three bay, center entrance plan, gambre roof, Dutch Colonial style house with a pedimented entrance porch.				
SIG	The auxiliary house is a smaller, 1½ story, gable roof, shingled building with a two story, pyramidal roof tower on the NE corner.  NIFICANCE  Main House - c 1913

	BUILDER				
20.	HISTORICAL AND ARCHITECTURAL IMPORTANCE:				
	The Benesch family was a prominent Holbrook family that moved to Holbrook around 1913, when this house was built. The tower at the rear is the remains of a water tower that once supplied water for the property. It was at the Benesch home that a meeting was held in 1927 to discuss plans for organizing a fire department.
