- Click Open on the file download box that pops up

- Adobe Digital Editions will launch and the book will begin to download.

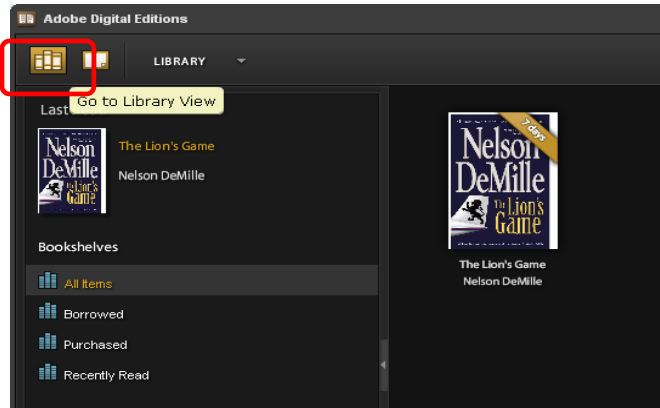

- When your book has finished downloading, you can read it on your computer using Adobe Digital Editions.

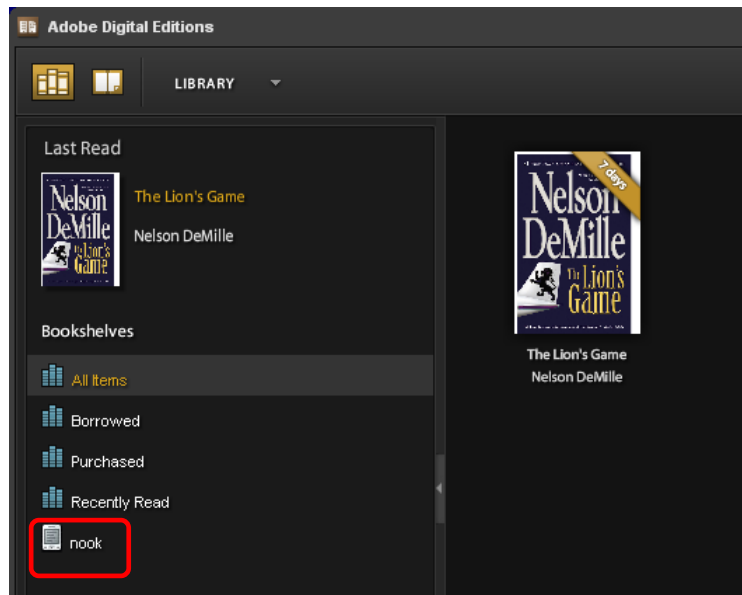

## Transferring to an eReader

You can also transfer the ebook to an ereader. (You must authorize your version of Adobe Digital Editions to your computer before you can transfer a book to an ereader. Consult the software installation instructions for ebooks available on the digital tab of the library's webpage for the steps on how to authorize your computer).

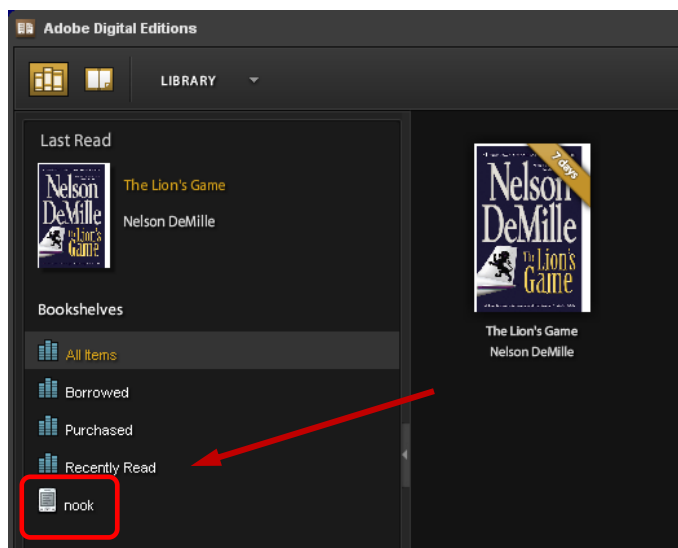

- To transfer a book, open Adobe Digital Editions and click the Library icon in the upper left-hand corner.

- Plug your ereader into the USB port in the front of your computer. It may take a few minutes for your computer to detect your ereader and for the device to appear. Once it is detected, it will show up within Adobe Digital Editions on the bottom left-hand side of the screen.

- To transfer the book to your ereader, simply drag the book title to your reader and drop it in .

## Finding Titles on Your eReader

For older versions of the **nook**:

On the **nook**, there are two sections of My Library: My B&N Library and My Documents. Ebooks that you downloaded from the library appear in My Documents. You may need to press Check for new content to display the ebooks you just transferred. It may take a few moments for the **nook** to update itself.

For the **nook Touch** and the **nook Tablet**:

On the **nook Tablet**, open the main library, then tap My Files to see the titles you have downloaded from the library.

On the **Kobo**, ebooks that you downloaded from the library will appear either in the Books section (EPUB formats) or the Documents section (PDF formats).

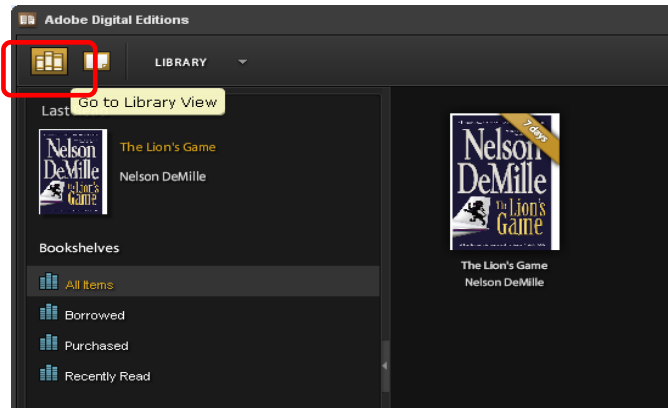

On the **Sony eReader**, ebooks that you downloaded from the library appear in the Books section.

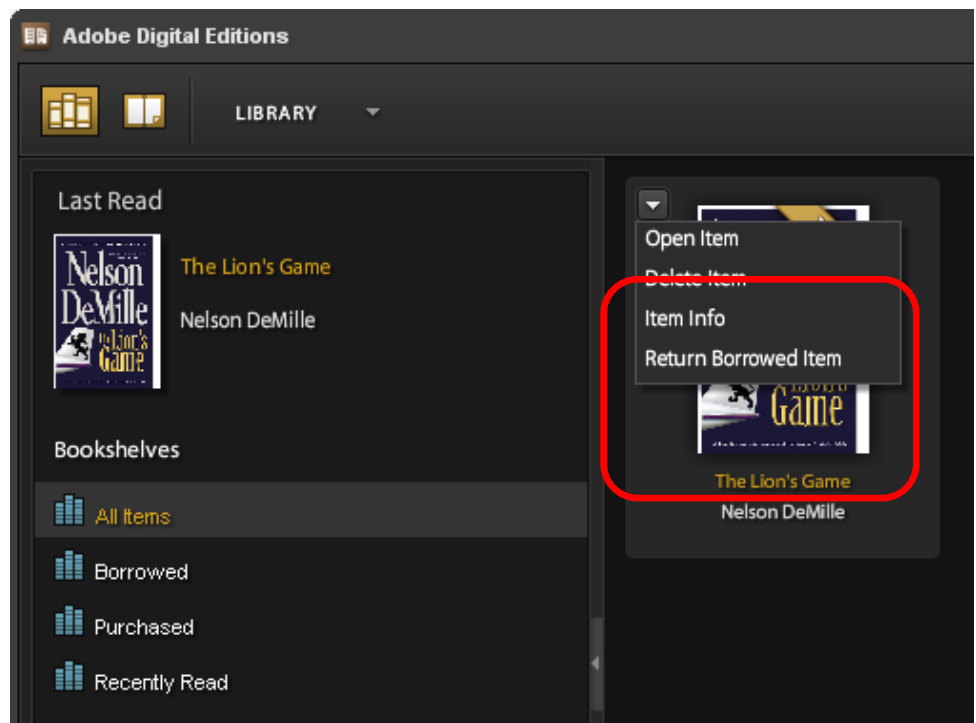

## Returning Ebooks Early

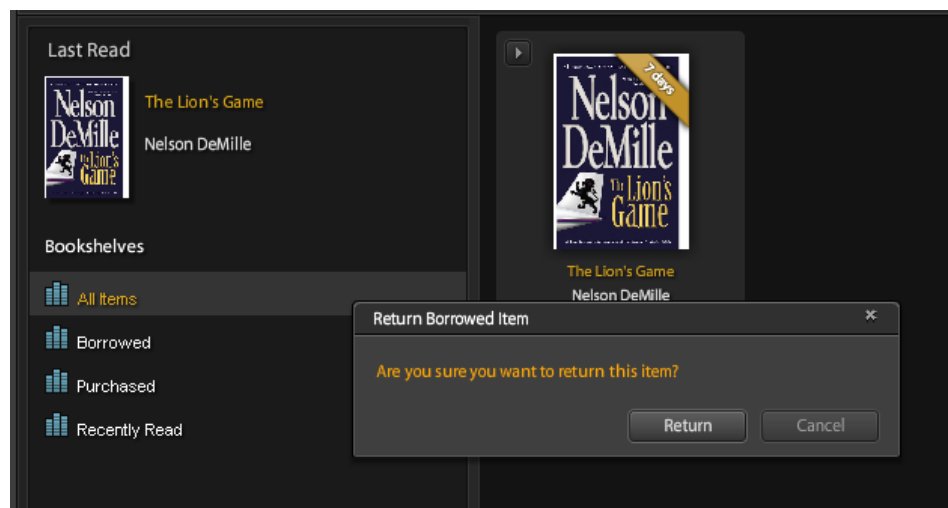

- Open Adobe Digital Editions and click the library icon in the upper left hand corner.

- Click the book jacket to select your title. Look for the arrow in the upper left-hand corner. Click on it and then choose **Return Borrowed Item**.

- Click **Return** to return the book back to the Live-brary Download site.

## Deleting Titles from an Ereader

For older versions of the **nook**:

- Navigate to My Documents folder on the nook.
- Select the title of the book you want to delete from the list of available titles.
- In the touch screen, tap Item details & options, then tap Delete.
- Tap OK when you are asked if are sure you want to permanently delete this item.

For the **nook Touch** and the **nook Tablet**:

- Plug your nook into the computer using the USB cord
- Open Adobe Digital Editions and click on your nook on the lower left-hand side when it appears
- Click the book jacket once to select the title you want to delete.
- Look for the arrow in the upper left-hand corner of the book jacket. Click on it and then choose **Delete Item**.
- Click Yes when you are asked to confirm the deletion.

For the **Kobo**:

- On your eReader, go to your Books or Documents area. (Press Menu, then select Books or Documents).
- Find and select the book you want to delete.
- Press Menu, then select Delete This Book (or Delete This Document).
- Select Continue.

For the **Sony**:

Some versions of the Sony eReader will allow you to delete titles from the device. Most others will require you to use the Sony eReader software which came with your device so that when you delete a title from the Sony eReader software, it will synchronize with your device when it is plugged in and remove the titles from the eReader.
