

Installing the Mobile App (iPhone, iPad, iTouch & Android)

To begin, connect your mobile device (smartphone, iPad, tablet, etc.) to a wireless network.

Connect to a Wi-Fi network at home:

- Select a network and choose Connect.
- If you see a lock symbol next to Connect, the Wi-Fi network requires a password, which you will have to enter. This password only needs to be entered one time.

Connect to a Wi-Fi network in the library:

- Select the CNQTLIB network.
- Read the library's wireless use policy and choose the I Agree button to connect to the library's free Wi-Fi.

Install the free Overdrive Media Console

- Visit your device's App Store (Apple) or Play Store (Android).
- Tap **Search** and search for OverDrive Media Console. The app will display in the search results.
- Tap **OverDrive Media Console**. The Info screen is displayed.
- Tap the Free button.
- Tap the Install button.
 - 🍏 Apple users will be prompted to enter an Apple ID Password.
 - 🤖 Android users, tap the Accept & Install button.
- The app will install.

- The first time you check out an ebook, you will be asked to create a one-time only Adobe ID.

🍏 Apple users: Tap **Register at Adobe.com** to continue.

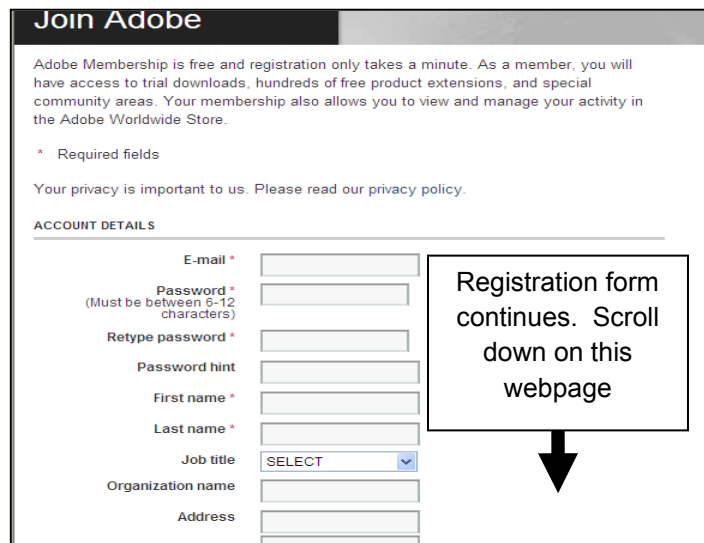

🤖 Android users: Tap **Get ID** to continue.

- On Adobe's webpage, tap the **Create an Adobe Account** button.

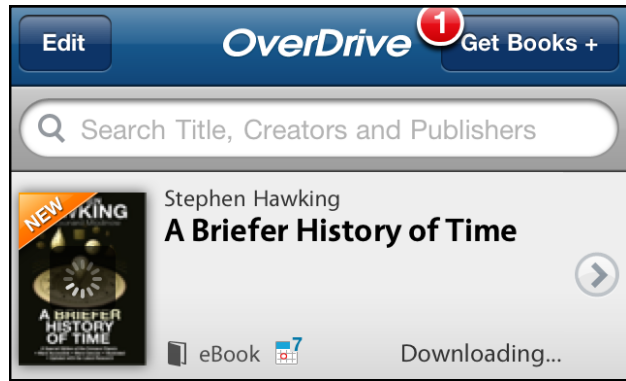

- Then, fill in Adobe's registration form and create an Adobe ID and password of your choosing. Scroll down to select **Continue** at the bottom of the screen.

- Enter the Adobe ID and password you just created and tap **Authorize**. You only need to do this once. You will not need to enter this ID in the future when checking out other ebooks.

- Your ebook will download.
Tap the title to begin reading.

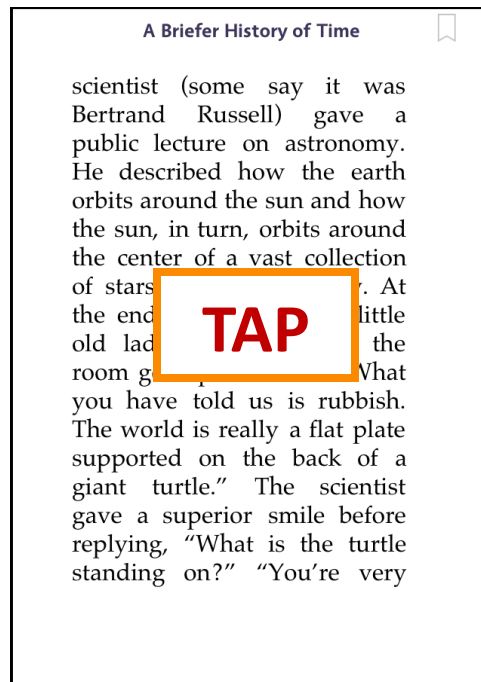

- The toolbar at the top of the Overdrive app lets you change brightness, text size, and view details such as a table of contents or chapter list.

- While reading:

 Apple users: Tap the center of the page to turn the toolbar on or off and navigate through a book.

 Android users: Use the Menu button to adjust settings and navigate through a book.

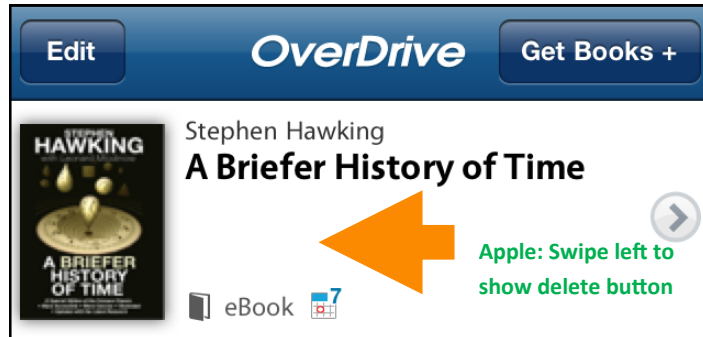

To Return an Item Early and To Delete an Item

- To return early or to delete a title, open the Overdrive app

 Apple users: Swipe left on the book jacket to reveal the delete button.

 Android users: Long tap the book jacket to reveal the delete menu.

- Tap **Delete** to view options.

- Choose whether to return then delete an ebook or delete only.
Choosing Delete only will remove the ebook from your device but it will remain checked out on your library card until the loan period ends.
